**MINUTES OF PREVIOUS MEETING**

The minutes of the previous meeting were approved and will be mailed to members.

**AMENDMENT OF COVENANTS**

The members then discussed and passed the proposed amendment to the Covenants (as attached) as follows:

1. Fences – After discussion, the amendment was passed as mailed
2. Dogs – There was a discussion of the dangerous dogs. While the only breed mentioned, it was pointed out that any dog over 100 lbs can be dangerous. There also can be prejudice against certain breeds that might not be warranted by the specific owner's animal. The key point in the enforcement of this provision is to have advice of a veterinarian before taking any

action and to have dogs insured. After this discussion, the amendment was approved.

3. Corners – It was pointed out that the amendment creates improved architecture for a new building now under consideration. The amendment was approved as mailed.
4. Roof Pitch – This amendment was to correct an error and was approved as mailed.

### **ESTABLISHMENT OF RULES AND REGULATIONS**

The Rules and Regulations are being established at this meeting. They were approved as mailed.

### **RECORDING OF DOCUMENTS**

Eighty Three Percent of the Ownership voted in favor of all measures with no owners voting against. Our attorney was instructed to draft the necessary legal documents. It was noted that there may be a scrivener's correction of one or more of the amendments to the covenants and the Rules and Regulations prior to recording.

### **ADJOURNMENT**

There being no further business, the meeting was adjourned at 8:00 pm.

Respectfully submitted,

Tom Hallin, Acting Secretary
